SKILLS

C++

JavaScript

ReactJS

Algorithms

Object Oriented Programming

SQL

Node.js

Express.js

Apollo GraphQL

HOBBIES AND INTERESTS

Coding   Learning new technologies

LANGUAGES

- Vietnamese (Native)
- English (Reading, Listening)

EDUCATION

August 2017 - Present
VNUHCM - University of Science
Information Technology
GPA: 2.7/4 - 6.76/10

SUMMARY

- Work well in a high-pressure environment
- Keep alert to new learning opportunities
- Self-dependance of working
- Good knowledge of Algorithms, Object Oriented Programming
- Skilled in C++, JavaScript, TypeScript, ReactJS, SASS, Node.js, SQL Server, MySQL, MongoDB, Express.js, Apollo GraphQL, Git, Docker, Linux

PROJECTS

1. Reddit Post
August 2021 - Present

2. Tasks Manager
August 2021 - August 2021

3. Book Manager
August 2021 - August 2021

4. Netflix
July 2021 - August 2021

5. Motor Manager
July 2021 - August 2021

6. Music Player
June 2021 - July 2021

7. Hospital Manager
March 2021 - July 2021

8. Proxy Server
November 2020 - January 2021

9. Linux Shell
March 2020 - June 2020
